RE: 60 Day Notice of Intent: CERCLA Natural Resource Damages - Portland Harbor, Multnomah Channel and Lower Willamette and Columbia Rivers

Dear President Obama and PRP Registered Agent:

The Confederated Tribes and Bands of the Yakama Nation ("Yakama Nation"), a federally recognized Indian Tribe under the Treaty of June 9, 1855 (12 Stat. 951), has identified the recipient of this notice as a potentially responsible party ("PRP") liable to the Yakama Nation under the Comprehensive Environmental Response, Compensation, and Liability Act ("CERCLA"), 42 U.S.C. § 9607(a), for damages resulting from the injury, loss or destruction of natural resources with respect to Portland Harbor, a facility listed on the National Priorities List and located in the State of Oregon, and also to the Multnomah Channel and Lower Willamette and Columbia Rivers, facilities where hazardous substances released at Portland Harbor have come to be located.

By this letter, you are hereby notified pursuant to 42 U.S.C. § 9613(g)(1)(B) that the Yakama Nation intends to seek recovery of such natural resource damages regarding Portland Harbor, the Multnomah Channel and Lower Willamette and Columbia Rivers from the PRP recipient of this notice in the U.S. District Court for the District of Oregon. You are also notified that the Yakama Nation intends to seek a declaratory judgment on PRP liability for both natural resource injury assessment costs and Portland Harbor response costs in the same action.

Copies of this notice have been forwarded to the other tribal, state and federal natural resource trustees. By this letter, you are also invited to contact the Yakama Nation to initiate settlement discussions for this matter. For this purpose, or for any questions you may have, please contact Tom Zeilman at (509) 575-1500 or Dave Askman at (720) 855-1533.

Sincerely,

JoDe Goudy
